Australian Catholic University — Master of Cyber Security (Online)

Entity: Australian Catholic University

Snapshot date: 2026-10-19

Source URL: https://www.acu.edu.au/handbook/handbook-2027/course/master-of-cyber-security-online

Important: Project-created research snapshot based on the official page linked above. This is not an official university publication. Facts are paraphrased, some fields are deliberately marked for verification, and the official page should be checked before advising students or deploying the assistant.

Course identity

- University: Australian Catholic University
- Course: Master of Cyber Security (Online)
- Course code: MCyberSecurity
- CRICOS code: not captured; verify on the official page
- Location: Online (ACU Online)
- Study mode: Online

Duration and intake

- Standard duration: 1.5 years full-time.
- Part-time: Equivalent part-time.
- Published intakes: February; July.

International fee

- International fee: AUD 38,164.
- Fee basis: Published total online course fee (ACU Online); verify current fee and international/student-visa eligibility before relying on it.
- Fee values are year-specific and should not be treated as a permanent price.

Entry requirements

- Bachelor degree (or equivalent) in any discipline (2027 admission); ACU Online also lists two years of relevant industry experience as an alternative.
- English requirement: Must meet ACU English language proficiency requirements; check the official course page.

Verification notes

- Collected from official university and Australian Government web pages on 2026-10-19 with AI assistance; to be verified by the team against the official page.
- 100% online course: no course CRICOS listed, so it is not a student-visa course; fee from studyonline.acu.edu.au/courses/master-cyber-security.
