Entity: Monash University

Snapshot date: 2026-10-19

Source URL: https://www.monash.edu/study/courses/find-a-course/information-technology-c6001?international=true

Important: Project-created research snapshot based on the official page linked above. This is not an official university publication. Facts are paraphrased, some fields are deliberately marked for verification, and the official page should be checked before advising students or deploying the assistant.

Course identity

- University: Monash University
- Course: Master of Information Technology
- Course code: C6001
- CRICOS code: 079055K
- Location: Clayton
- Study mode: On campus

Duration and intake

- Standard duration: 2 years (Entry level 1); 1.5 years (Entry level 2) full-time.
- Part-time: 4 years (Entry level 1); 3 years (Entry level 2).
- Published intakes: February; July.

International fee

- 2026 international fee: AUD 55,500.
- Fee basis: International fee per 48 credit points (a standard full-time load for one year); 2026 quoted fee from Monash's 2027 International Graduate Course Guide.
- Fee values are year-specific and should not be treated as a permanent price.

Entry requirements

- Entry level 1: bachelor degree (or equivalent), not necessarily in IT, with at least a 60% average. Entry level 2: cognate IT degree including Java and Python programming, algorithms, computer architecture, operating systems, networks and databases, with at least a 60% average.
- English requirement: Monash English level A (IELTS Academic 6.5 overall, minimum 6.0 in each band, or equivalent).

Verification notes

- Collected from official university and Australian Government web pages on 2026-10-19 with AI assistance; to be verified by the team against the official page.
- Fee from the 2027 International Graduate Course Guide (labelled 2026 quoted fee). Course page showed A$44,740 'full fee' (domestic). Verify IELTS level A bands.
