Source URL: https://www.swinburne.edu.au/course/postgraduate/master-of-business-information-systems/business-analytics/?student_type=international

Important: Project-created research snapshot based on the official page linked above. This is not an official university publication. Facts are paraphrased, some fields are deliberately marked for verification, and the official page should be checked before advising students or deploying the assistant.

Course identity

- University: Swinburne University of Technology
- Course: Master of Business Information Systems (Business Analytics specialisation)
- Course code: MA-BIS
- CRICOS code: 092700K
- Location: Hawthorn
- Study mode: On campus

Duration and intake

- Standard duration: 2 years (1 or 1.5 years fast-track with prior study/experience) full-time.
- Part-time: Not available to student visa holders.
- Published intakes: Check current course page.

International fee

- 2027 international fee: AUD 40,300.
- Fee basis: Indicative yearly international fee for a standard study load; subject to annual review.
- Fee values are year-specific and should not be treated as a permanent price.

Entry requirements

- Bachelor degree (or higher) in any discipline, or Swinburne's Postgraduate Qualifying Program (international applicants); CV required.
- English requirement: IELTS Academic 6.5 overall with no band below 6.0, or equivalent (e.g. EAP 5 Advanced 70%).

Verification notes

- Collected from official university and Australian Government web pages on 2026-10-19 with AI assistance; to be verified by the team against the official page.
- Swinburne has no standalone Master of Business Analytics; this is the closest equivalent (a specialisation of the Master of Business Information Systems).
