The University of Melbourne — International Student Resources

Entity: The University of Melbourne

Snapshot date: 2026-09-27

Source URL: https://study.unimelb.edu.au/student-life/international-students

Important: This file is a project source snapshot prepared from the official source listed above. It is not an official publication of the university or Australian Government. It is intended for the team's local RAG knowledge-base experiments and should be refreshed before final deployment.

International student resources

- The University provides information for international students covering visas, accommodation, moving to Melbourne and settling into university life.
- The University provides a cost-of-living guide and links to accommodation and moving support.

Arrival and support

- International students can access information about accommodation and moving support before arriving in Melbourne.
- Stop 1 can provide support on course planning, tuition fees, student loans and accommodation.
